Board policy GCBA applies.

Teachers entering the district will be granted one step on the salary schedule for each full year taught in a state accredited school outside this district, to a maximum of eleven (11) years credit. More than one half of the consecutive contract days during a given school year shall constitute a full year for credit.

Initial placement on the salary schedule shall be determined by the highest degree earned and additional hours beyond the degree as verified by official college transcripts. Teachers must inform the superintendent at the time of hiring of all credits applicable to salary schedule placement.

Following the teacher's initial salary schedule placement, additional hours counted toward advancement on the salary schedule must relate to the teacher's job requirements and must be earned at accredited colleges or universities.

The district will grant continuing ed inservice credit for attendance at district trainings and serving on district or school committees beyond the scheduled day. Committee service must be approved and documented by the committee chairperson. Fifteen clock hours shall equal one credit hour.

Substitute teachers holding a 1-year authorization (Type V) will be paid \$135/day.

Substitute teachers holding a 3 or 5 year authorization will be paid \$150/day.

Substitute teachers will be expected to report at the regular time and stay on site the entire school day. Substitutes may be asked to assist in other classrooms or perform supervision duties during the plan time allotted to the regular classroom teacher. Substitutes may be assigned supervision duties during the school day by the principal.

The salary differences between high school, middle school, and elementary are intended to compensate for the differences in time required at each level for extracurricular supervision. All principals devote a staggering amount of time to morning and evening meetings with parents, class and school presentations and the many committees required to administer a school. However, extracurricular supervision adds to this burden.

The above salary schedule is intended for general guidance only. Salary increases for school administrators are awarded solely at the discretion of the Board of Education
