One year of experience on the salary schedule will be granted for ninety (90) or more days worked during any one school year in the Monte Vista School District. The anniversary date for determination of "years of experience" shall be September 1 of each year. Other applicable experience may be considered for placement on the salary schedule on an individual basis at the time of hiring by the superintendent.

The district transportation director works 12 months and receives vacations and holidays in accordance with Board Policy GDD.

The transportation director position is supervisory/salaried and exempt from overtime.
